LEADERSHIP PHILOSOPHY

“Leadership is about creating opportunities for others to grow, participate, and realise their potential.”

Muganza Augustine Nchimiye believes that leadership is not defined only by a formal position. It is demonstrated through **service, responsibility, Transparency, consistency, teamwork, and the ability to positively influence others**.

Through education, community work, mentorship, and soccer, Muganza Augustine Nchimiye has developed a leadership style centred on young **people, teamwork, discipline, and community impact**.

CORE VALUES

Leadership — Taking responsibility and helping others move forward.

Equity- Providing everyone with the specific resources needed to succeed.

Service — Using personal skills and experience to support others.

Teamwork — Achieving more through cooperation and mutual respect.

Discipline — Staying committed to responsibilities and goals.

Integrity — Building trust through honesty and accountability.

Community — Contributing to a stronger and more inclusive community.
